ORDER

The Appellant, in his second appeal dated 16.12.2016, represented before the Commission that he had submitted an application before the First Respondent on 01/09/2016. The First Respondent furnished a reply on 29/09/2016. The Appellant has represented that the First Respondent had not provided correct and accurate information to his requests under the application. Therefore, he filed a first appeal before the Appellate Authority on 13/10/2016. A reply to the first appeal was furnished by the Second Respondent on 05/11/2016.

The Commission conducted its hearing in the matter through Audio conferencing on 15/03/2022, in which the First Respondent was present. The Appellant was absent.

On scrutinizing the Appeal Petition and connected documents the Commission finds that as per the letter dated 06/07/2021 the Appellant has requested for an English version of the report dated 09/02/2017 and the reply furnished by the SPIO. Hence the Commission directs the Respondents to furnish them within 15 days of this order.

As the Respondent is seen to have furnished the information sought by the Appellant there is no room for interfering in the matter. The Commission disposes of this Appeal Petition accordingly on the 30th day of March 2022.
